WASHINGTON, D.C., June 22, 2011 – More than 3.3 million U.S. jobs in agriculture and industries rely heavily on Global Positioning System (GPS) technology and the disruption of interference with GPS posed by Light-Squared's planned deployment of 40,000 ground stations threatens direct economic costs of up to \$96 billion to U.S. commercial GPS users and manufacturers, according to an economic study.

We agreed with Ted that the picture of the Santa shorts are in bad taste and very de-meaning so we have a new photo from last Saturday night's banquet to replace it with.

Ted & Marilu Wink had a special 1,000 landings award for "Top Gun" Bob Donley or should I say overall undisputed Top Gun.

Gives new meaning to "how you hanging?"

Ted & Marilu brought the dessert and just look at the beautiful aircraft that decorated the cake. All pictures will be on web soon.

Jim Rummery brought his pet shark to fly around the meeting hall, nobody was eaten, I don't think.

Everyone I have spoken to has said wonderful things about the banquet and the Wink Gift Exchange. Picture on right shows Karen Baber deciding if she will steal a gift or pick from the table. After deciding to go to the table she picked the Ms Wonderful which she kept for most of the night before being stolen. A million laughs.

Denny Baber got the cold weather flying hat minus the cold weather, warmest winter in many years thanks to El Nino and high altitude jet streams that are pushing south Pacific warm air our way.

Karen Baber on another of trips to the table to take the last gift thus ending the exchange. She was much happier with this gift.  
Below Ted Wink had a Scud Runner Award for Jim "I fly treetops" Robinson. Jim smiled but remained emotionless as he accepted.

Bob Donley opening a gift and felt a little festive, below he receives his Overall Top Gun Award.

Sam & Wendy Davis receive Chapter Service Award.  
Below Karen Baber pins Denny's EAA award Pin to his shirt.

Web Editor doing what he always does  
take pictures. Picture taken by Marilu  
Wink.

Jim Abbott picked a blanket that I believe  
was stolen right away. There's always next  
year Jim.

There were about forty raffle prizes for  
those attending but with fifty plus people  
there wasn't enough for everyone. Kathy  
Sattizahn and Rick Cook had the honors of  
picking the winners. Kevin Lee donated a  
bunch of hats, hope we see them turn up at  
the meetings and events throughout the next  
year.
